Affiliated AtHomeNet Data & Services on websites we sell or host

We offer comprehensive website services through our normal business operations to homeowner associations, property management firms, businesses, and communities nationwide. The materials that appear on these sites beyond AtHomeNet's normal copyrighted platform and general applications and agreements, are solely the property of the client in ownership of the website. Any breach of copyrighted material on these sites are an infraction on the private ownership of the posted materials and should be handled directly with the proprietary owner of said materials. Personal information that individuals provide to any affiliated sites is the sole property of the site in question, or the individual through whatever agreements made between themselves and the website. We process such information under this Privacy Policy. The affiliated sites through which our services are offered may have different privacy practices and we would encourage you to read their privacy policies. Any information contained through an affiliate of our site be it a demo, partner, or reference site, should fall under the individualized site agreements in question.

Links

AtHomeNet may display or present links in any format that allows us to track what URLs or individuals may have clicked said links, or on which of these links have been followed. We utilize any link related information to improve the quality of our websites, technology, content, and advertising opportunities.

Other sites

This Privacy Policy applies to AtHomeNet's home and affiliated website and its services only.

Information Submission

Should you submit to us your personal information for the purpose of sales, quote request, or contact, your information will be held securely and not sold to other parties. This information is gathered exclusively for the sales process and will not be utilized, copied, or distributed for any additional purposes.

Changes to this Privacy Policy

AtHomeNet reserves the right to discard, amend, or alter this Privacy Policy at any time for any reason. AtHomeNet's changes will in no way compromise our policies on your personal information or the privacy agreements enacted on our affiliated or related sites. AtHomeNet will post any Privacy Policy changes following their enactment. Should the changes be significant, AtHomeNet will post a prominently displayed notice citing the change and how it may or may not effect our partners, clients, and website affiliates.
